

## ISO 14001: 2015

### ENVIRONMENTAL MANAGEMENT SYSTEMS AWARENESS

**Course aim and objectives:** ISO 14001:2015 environmental management international standard motivates shipping companies to go above and beyond the minimum MARPOL requirements and comply with the increasing environmental requirements of the maritime industry. Integration and implementation of the provisions of the standard through the company's safety management system procedures satisfies stakeholders, company customers and environmental authorities. The course provides participants with the knowledge and methodology for continual improvement by implementing an environmental management system.

**Course main elements:**

- ISO 14001:2015 scope, terms and structure
- Overview of MARPOL's environmental regulations
- Environmental management system requirements - ISO 14001:2015
- Identification of environmental aspects, impacts and related programs
- Integration in marine management systems and certification
- Practical exercises and final examination

**Course participation:** The course is open to shipping company technical, operations, safety, quality and environmental managers, DPAs, superintendents, shipboard designated environmental officers

**Course duration:** **1 day** This training program is provided in 6-hours with real time instruction through zoom platform in a pre-scheduled interactive learning session. Upon registration a link shall be provided to participants for accessing the course

**Course Schedule:** 10:00 – 17:00 hours daily (including 30 minutes additional time daily for Q & A and completion of classwork)

**Registration:** Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: [invoicing@dynamarine.com](mailto:invoicing@dynamarine.com) Tel: (+30) 210 894 1667

**Fees:** Euros 350 per day per participant. Discount of 10% is offered to individual participants registering to this course. Group discounts of 15% are also arranged for companies registering 3+ participants.

**Scheduled course dates:** As per DYNAMARINE Academy Training Course Schedule January – June 2022

**Instructor:** Capt. Titos Giannakakis – Senior Maritime Trainer & Marine Consultant – DYNAMARINE Academy
