

## TEAMWORK, LEADERSHIP & ACCOUNTABILITY

**Course aim and objectives:** Ship-management is a highly demanding multi-tasked operational process requiring particular skills in addition to knowledge, experience and expertise. This course provides participants with the tools for succeeding in the role of a manager either on board or ashore by motivating, guiding, mentoring, coaching and building high-performance teams for enhancing ship operational efficiency and safety culture

**Course main elements:**

- Determining a manager's job
- Management levels of responsibility
- Leading by example
- Team selection, orientation, and development
- Improving accountability by delegating authority
- Conflict and discipline
- Team motivation and commitment
- Meeting deadlines
- Practical workshops and exercises

**Course participation:** The course is open to corporate maritime executives, directors, managers, fleet superintendents and office employees with supervisory responsibilities as well as senior shipboard team members

**Course duration:** **1 day** This training is provided with real time instruction through zoom platform in a pre-scheduled interactive learning session

**Course Schedule:** 10:00 - 17:00 hours

**Registration:** Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: [training@dynamarine.com](mailto:training@dynamarine.com) Tel: (+30) 210 894 1667

**Fees:** Euros 350 per day per participant. Discount of 10% is offered to individual participants registering to this course. Group discounts of 15% are also arranged for companies registering 3+ participants

**Instructor:** Capt. Titos Giannakakis - Senior Maritime Trainer & Marine Consultant - DYNAMARINE Academy
