

MARINE ASSESSOR

Course Aim & Objectives: The course provides comprehensive knowledge for learning the skills and becoming qualified in conducting on-the-job assessment of seafarers while performing critical operations on vessels by learning assessment techniques with the purpose of enhancing continual improvement and identifying potential performance gaps. The course is based on IMO-STCW Code Reg. I/6 regarding the qualifications of marine assessors, IMO Model Course 1.30 and OCIMF's TMSA, SIGTTO & DBMS guidelines regarding technical and behavioral competency assessment techniques. The course also complements seafarers' skills through proactive benchmarking for improvement of safety performance and competency standards of seafarers.

Course main elements:

- Organizing marine assessments
- Identifying and setting assessment objectives, conditions and standards
- Competency Assessment techniques
- Technical competency assessment
- Performing on the job behavioral competency assessment
- Performance measurement and improvement
- Identification of potential gaps and training needs
- Development and implementation of a performance improvement plan
- Workshops, practical exercises and final examination

Course Participation: This training is open to shipping company managers, superintendents, internal auditors, deck & engine ship senior officers as well as office personnel responsible for conducting seafarer competency assessments to improve performance. Participants, to pass this course and achieve a *certificate of completion* as *Qualified Marine Assessors* are required to prepare for day 2 and present in class an assessment plan for verification of competency of a seafarer according to rank for which they will be evaluated by the rest of the class.

Course duration: 2 days This training program is provided in 12 hours with real time instruction through zoom platform in two 6-hour pre-scheduled interactive learning sessions. Upon registration a link shall be provided to participants for accessing the course

Course Schedule: 10:00 – 17:00 hours daily (including 30 minutes additional time daily for Q & A and completion of classwork)
