

TRAIN THE TRAINER

Course aim and objectives: This course provides the knowledge and techniques for the planned training of seafarers and shipping company office personnel according to the standards of STCW Code Reg. I/6 and the guidelines of IMO Model course 6.09. Participants will become qualified in the process of organizing, planning and instructing maritime training by learning effective instructional, development, planning and presentation techniques required for enhancing safety performance and overall professional development of shipping company office staff, seafarers and specialist personnel

Course main elements:

- Identifying training needs and setting learning objectives
- Planning and organizing maritime training programs according to ISD model
- ISD model for analysis, development, and presentation techniques
- Assessment and evaluation of implemented training
- Effective planning of training for improving safety performance
- Practical exercises, case studies and final examination

Course participation: The course is open to maritime instructors, managers, fleet superintendents, shipping company personnel, masters and senior seafarers with responsibilities for training and professional development of their staff

Course duration: 2 days This training is provided with real time instruction through zoom platform in two pre-scheduled interactive learning sessions

Course Schedule: 10:00 - 17:00 hours daily

Registration: Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: training@dynamarine.com Tel: (+30) 210 894 1667

Fees: Euros 350 per day per participant. Discount of 10% is offered to individual participants registering to this course. Group discounts of 15% are also arranged for companies registering 3+ participants

Instructor: Capt. Titos Giannakakis - Senior Maritime Trainer & Marine Consultant - DYNAMARINE Academy
