

TRAIN THE TRAINER AND MARINE ASSESSOR

Course aim and objectives: This course provides the required knowledge for the training and assessment of maritime specialists, seafarers and onshore or offshore personnel according to STCW Reg. I/6 and the guidelines of IMO Model courses 6.09, 3.12 & 1.30 for maritime instructors and assessors. Participants will become qualified in the process of organizing and instructing maritime trainings as well as performing on the job competency assessments by learning instructional, presentation, planning and assessment techniques required for enhancing professional development of shipping company office staff, seafarers or offshore specialist personnel.

Course main elements:

- Identifying training needs and setting learning objectives
- Planning and organizing maritime training programs
- ISD model implementation for development of training
- Presentation, communication, assessment and evaluation techniques
- Performing on the job competency assessment
- Identifying knowledge, skills and abilities
- Performance measurement based on accepted standards
- Identifying performance gaps
- Effective planning for improving performance
- Practical exercises, case studies and final examination

Course participation: The course is open to maritime instructors and assessors, managers, superintendents, and shipping or offshore company personnel with responsibilities for the training and assessment of seafarers and offshore specialist personnel

Course duration: 3 days This training program is provided in 18-hours with real time instruction through zoom platform in three 6-hour pre-scheduled interactive learning sessions. Upon registration a link shall be provided to participants for accessing the course

Course Schedule: 10:00 – 17:00 hours daily (including 30 minutes additional time daily for Q & A and completion of classwork)

Registration: Please complete the course registration form or contact Mrs. Angie Panagiotarakou email: invoicing@dynamarine.com Tel: (+30) 210 894 1667
