

TRAIN THE TRAINER AND MARITIME ASSESSOR

Course aim and objectives: This course provides knowledge for conducting training and assessment by maritime specialists, seafarers and onshore personnel according to regulatory standards and the guidelines of IMO Model courses 6.09, and 1.30 for maritime instructors and assessors. Course participants will become qualified in the process of organizing and instructing maritime training programs as well as performing competency assessments by learning instructional, presentation, planning and assessment techniques required for enhancing the professional development of shipping company office staff, shipboard members, operational efficiency, and safety culture

Course main elements:

- Identifying training needs and setting learning objectives
- Planning and organizing maritime training programs
- Presentation, communication, and evaluation techniques of training
- Performing competency assessments
- Identifying knowledge, skills, and abilities
- Performance measurement based on accepted standards
- Identifying performance gaps
- Improvement performance plan
- Practical workshops and final examination

Course participation: The course is open to maritime instructors and assessors, fleet superintendents, and senior shipboard team members with responsibilities for the training and professional development of office staff, seafarers respectively.

Course duration: 3 days This training is provided with real time instruction through zoom platform in a pre-scheduled interactive learning session

Course Schedule: 10:00 - 17:00 hours daily
