Teambuilding, Leadership and Accountability

Course aim and objectives:

Ship-management is a highly demanding multi-tasked process requiring particular skills in addition to knowledge, experience and expertise. This course provides participants with the tools for succeeding in the role of a manager by motivating, guiding, mentoring and building high-performance teams.

Course main elements:

- Determining a manager's job
- Management levels of responsibility
- Leading by example
- Team selection, orientation and development
- Improving accountability by delegating authority
- Conflict and discipline
- Team motivation and commitment
- Meeting deadlines
- Practical exercises, case studies and final examination

Course participation:

The course is open to corporate maritime executives, directors, managers, superintendents and office employees with supervisory responsibilities

Course duration: 2 days

This training program is currently provided in 12-hours with real time instruction through a dedicated e-platform in 3 four-hour pre-scheduled interactive web-based learning sessions.
